LMB-234

Besides protecting M type Leica from the usual unwanted scratches or dings, this half case, made out of soft and thin leather, perfectly fits the camera body renewing at the same time the image of the camera itself.

Using this easy to hold and no-slip half case, good shots are always guaranteed.

At the back there is a very useful pocket where the film specifications (taken from the film box itself) can be inserted.

This case is the ideal for Leica M3 (the one stroke version), M4, M6 and MP.

*Please note that this product is not suitable for Leica M3(two stroke model), M5, M6TTL and M7.

Material Lamb Leather・Pig Leather

Size W130xH75xD30 mm

Color Black ■

LMB-M3

The flexible and soft leather used for this half case elegantly wraps the camera body. Various colors are available to create a perfect match with the different M types and renew the camera's image.

The feeling of perfect fit increases when the camera is one-hand held.

This case is the ideal for Leica M3 (the one stroke version), M4, M6 and MP.

The leather used for this article goes through a natural tanning process that makes its appearance look better and better the more is used, slightly changing in color, without compromising its quality.

LMB-M7

A case, made out of flexible and soft leather, which elegantly wraps the body camera, created exclusively for the Leica M7.

The shape has been especially cut according to the M7 specifications so to make easier operating the camera's panel.

The various inner colors have been chosen to create a vivid contrast between the colors of the case's leather and the camera.

The leather used for this article goes through a natural tanning process that makes its appearance look better and better the more is used, slightly changing in color, without compromising its quality.
